PROFESSIONAL SUMMARY

Computer Engineering student with hands-on experience in MERN stack development and Java-based backend systems. Strong foundation in Core Java, Spring Boot, REST APIs, and database-driven applications. Seeking an entry-level role or internship to contribute to production-grade software systems.

EXPERIENCE

MERN Stack Intern

Brainybeam Info-Tech Pvt. Ltd. *July 2025 - August 2025*

- Developed responsive user interfaces using React.js, HTML, CSS, and JavaScript
- Implemented backend APIs using Node.js and Express.js with basic database integration
- Worked on full-stack features including debugging, Git-based version control, and deployments
- Collaborated in an Agile environment to deliver functional modules within deadlines

PROJECTS

Hotel Management System

Java, JDBC, MySQL

- Built a Java-based system to automate hotel operations including room booking, customer management, billing, and check-in/check-out
- Reduced manual data handling and improved data accuracy through centralized storage
- Applied OOP principles, collections, and JDBC-based database connectivity

E-Commerce Backend System

Java, Spring Boot, JPA, MySQL

- Developed REST APIs for an e-commerce backend using Spring Boot and Spring Data JPA
- Implemented user registration, login, product management, cart operations, and order processing
- Used layered architecture (Controller, Service, Repository) for clean separation of concerns
- Persisted application data in MySQL and handled transactional workflows

TECHNICAL SKILLS

Languages: Java, JavaScript, SQL
Backend: Spring Boot, JDBC, REST APIs, Hibernate
Databases: MySQL, PostgreSQL
Web Technologies: HTML, CSS, React.js
Core Concepts: OOP, Collections, Multithreading, Exception Handling
Tools: Postman, Git, Github, IntelliJ IDEA, VS Code

EDUCATION

Ahmedabad Institute of Technology (GTU) — Ahmedabad, Gujarat
Bachelor of Engineering in Computer Engineering — *Expected 2026*
Government Polytechnic, Dahod — Dahod, Gujarat
Diploma in Computer Engineering — *2020 – 2023*

- SPI: 7.55

CERTIFICATIONS

Web Design with MERN Stack

Brainybeam Info-Tech Pvt. Ltd.
